STATINTL

1. Informed Mr. Belen, of the staff of the House Committee on Post Office & Civil Service, that I had discussed the case of [ ] with our chief surgeon, and that she had submitted to<sup>a</sup> psychiatric examination which indicated that she should be given a trial employment subject to medical re-examination in six months for departmental duties only. Mr. Belen expressed great appreciation at the care and kindness which had gone into the consideration of this case by CIA.

STATINTL

STATINTL 2. Conferred with the Comptroller and Messrs. [ ]  
[ ] of his staff regarding proposed CIA legislation recommended by them.
